

ACRYLIC Block Windows

Acrylic Block Windows feature privacy with innovative style. In stock 47" x 47" fixed 9" Clear Wave Acrylic Block Windows illuminate a room naturally but with privacy. (Add 1/2" to frame size for rough opening).

Features

- Available in White, Tan (Pebblestone), and SandSun (Clay) colors
- Energy efficient extruded vinyl frame
- Installs like other fin framed windows, no masons needed
- Lighter than glass block, no special framing necessary
- 35% more energy efficient than glass block
- Meets all safety glazing requirements around bath tubs

Additional Options

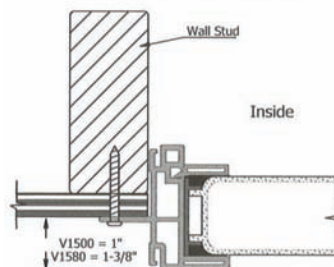

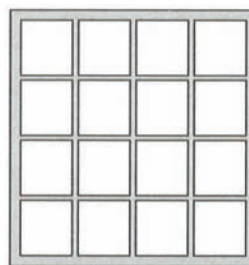

- Acrylic patterns Glacier Wave, Column, Sun Block™
- Acrylic Block sizes 6", 8", 9"
- Glass Block size 7"
- Custom sizes, radius shapes, circle tops
- Operating awning, arched top casements, single hungs and sliders

Failure to follow all the care and cleaning instructions will void all warranties
